David Breedon has sent in a photograph of his Form taken in 1961, the year that he left, and it has been posted in the photograph section. He is now living in Newport Beach California after previously living in Bermuda and Victoria Canada. If anyone can name the pupils in the photograph let me know and we can add the names. David is in the middle row third from the right and his email address is [d
breedon@gmail.com](mailto:dbreedon@gmail.com)
