

Missing Names of Presidents

Written by Administrator

Saturday, 18 June 2022 08:35 -

The list of past presidents of the Society has a significant gap between 1948 and 1960 caused when the chain of office was stolen from a member's car. Can you remember who was President in any of these years? Let me know. I am "slowly" going through the documents that we have which will be sent to the Nottinghamshire Archives for its Schools collection so I might find some clues amongst them.
