In about 1960 the President's (It might have been D Bembrose) car was broken into and the Chain of Office and the Society Records were stolen and never returned. So there is a gap between 1947 and 1962 in the list of presidents and this letter fills in just one name. Robert Shaw was President in November 1948 so we can put his name on the list of Past Presidents. I note that the meal was 8shillings and 6pence which is 42.5pence. Quite pricey!
